

# DELLOUFI AYOUB

Computer Science Student | Nancy, FRANCE | [contact@ayoubdlf.com](mailto:contact@ayoubdlf.com) | <http://ayoubdlf.com>

## ABOUT

---

I'm a Computer Science student exploring full-stack development and cybersecurity, turning ideas into code. Passionate about solving problems and building secure, impactful digital experiences

## EXPERIENCE

---

### Security Researcher

HackerOne | Remote

2020-2025

Identified and reported security vulnerabilities through in-depth analysis, collaborated with security teams to improve platform security, and received rewards for exploitable findings.

### Ex-Founder

ChartUno | Remote

2025-2025

Created a trading platform integrating TradingView and MetaTrader, designed the architecture and developed a secure API, handled full-stack development using Next.js, Node.js, TypeScript, C++, and MQL, deployed on Vercel and Railway, and managed version control with Git workflows.

## EDUCATION

---

### Bachelor's degree in computer science

Faculty of Science and Technology | Nancy, France

Currently

Learned to write structured, maintainable code using C, Java, Scala, and PHP while practicing algorithms, data structures, and teamwork on various projects.

## LANGUAGES

---
